### Risk Assessment for Hockey Club Knole Park when using Lingfield College's all-weather pitch

<b>Areas</b>	<b>Nature of the risk</b>	<b>Responsible parties</b>	<b>High, medium or low risk to Edenbridge and opposition</b>
Car parking	Personal injury from slip/trip. Traffic accident.	LC to maintain car parks with adequate lighting, signage and markings. To ensure sufficient parking available and not have to use the main road.	Low
Access to pitch	Personal injury from slip/trip.	LC to maintain approach to and access to pitch. Gates to be unlocked by LC at agreed time to allow access or key provided to HCKP.	Low

Pitch and equipment	Personal injury from slip/trip.	LC to maintain pitch, goals and shelters. All of these will be checked by umpires prior to the game. Only LC staff to move equipment.	Low
Match in play	Personal injury before and during game. Falls, collision with other player, hit by stick/ball.	Access for emergency services - LC responsible. HCKP will provide a fully stocked mobile first aid kit. All players are advised to wear gum shields, shin pads, suitable footwear. Goalkeepers to be fully kitted and must wear a helmet.	Medium risk - the nature of the game
After match refreshments and refreshments pitch side	Allergies	HCKP and visiting teams will be told not to bring any nuts or foodstuff containing nuts. LC is a nut-free school.	High
